Podcast Club- The Promise eps. 1-6

"I charge all educators with: No matter where your boys and girls come from, never feel sorry for them."

"As you're doing this life-changing work, make sure that you're taking care of yourself."

"Whatever you do in the school building, your work matters."

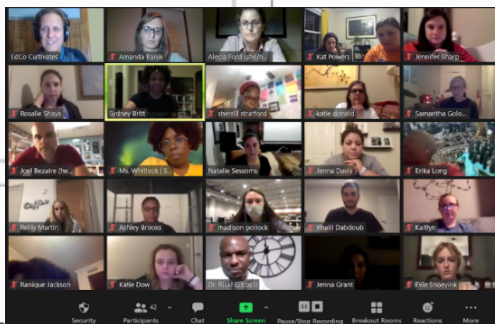

"If your battery isn't charged, you can't give your best to this profession."

"This work is very very hard, it is life changing."

"If you want to help a child, ensure they get a great education."

"Never say, "This child can't do it because they come from this area.""

"More thank your work, YOU matter!"
